Stancer

REPORT ABUSE

To report any abuse, please complete the form below and send it to the following address: **abuse@stancer.com**

We collect the information you provide in this form in order to process your report. This processing is based on our legal obligations as well as our legitimate interest in providing you with an abuse reporting tool. Only our services dedicated to handling reports, as well as any authorized third parties concerned by your report, will be recipients of this information. The data will then be deleted in accordance with applicable legal provisions.

For more information about the management of your personal data and to exercise your rights, you may contact the Data Protection Officer at: **dpo@iliad78.net**.

Please note that reporting content or an activity as illegal for the purpose of having it removed or stopping its dissemination, while knowing that this information is inaccurate, is punishable by one year of imprisonment and a fine of €15,000.

The abuse concerns:

☐ Cyberattack (virus, spam, phishing, botnet, DoS)

You wish to report any IT incident you have experienced, whether it is a cyberattack, a computer virus, a DoS attack on a system, or an attempted intrusion.

(*Mandatory if category is Copyright or Defamation*)

All fields are mandatory.

The abuse concerns:

Ethical alert

The iliad Group's ethical alert system allows the reporting of:

- any behavior or situation contrary to the iliad Group's Code of Conduct
- any case of corruption
- any breach of the duty of vigilance
- any act of harassment or discrimination
- any crime or offense
- any serious and manifest violation of an international commitment duly ratified or approved by France, a unilateral act of an international organization adopted on the basis of such a commitment, the law, or regulations
- any serious threat or harm to the general interest

It is accessible from iliad's corporate website, under the **"Ethics & Compliance"** section, and at the following address:
alerteethique.iliad.fr
